REGISTRATION

- Go to the **GFN.am** website and select **Register and play**.
- Click on the **TEAM** logo.
- Click **Register now**.
- In the **Phone** field, enter your **TEAM** phone number. This number will be used to log into your account on **GFN.am** and to activate the Performance subscription. In the **Password** field, enter the password you have chosen.
- Confirm your phone number.
- To complete the registration, re-enter your password, click "**Sign up**", then enter the received verification code. Next, enter your **TEAM** number and password to log into the system.

LOGIN TO THE SYSTEM

- Go to the **GFN.am** website and select **Log in**.
- Click on the **TEAM** logo.
- In the **Phone** field, enter the **TEAM** phone number with which the account was registered.
- In the **Password** field, enter your password and click **Sign in**.

LOGIN TO THE GFN APPLICATION ON THE COSMO BOX DEVICE

Login via Arris 7300 device:

- Press the **"Team +"** button on the device's remote control.
- Go to the **GFN** section.
- Upon the first login or after logging out of your account, a **QR code** will appear on the screen.
- Scan the **QR code** with your smartphone — this will redirect you to the **GFN.am** website.
- Click the **TEAM** button.
- Log into your **GFN** account by entering your credentials:
 - a. **TEAM** phone number.
 - b. Login password.

After successful authorization, your **GFN** account will be available on the device.

If you do not have a GFN account:

- Register on the **GFN.am** website via the **TEAM** button and follow the steps above to log in.
